SECTION A - SUPPLEMENTAL INFORMATION

- 1. The purpose of this modification is to institute mandatory Contractor Manpower Reporting (CMR), for the period of April 22, 2005 through September 30 2006.
- 2. The contractor will report ALL contractor manpower (including subcontractor manpower) required for performance of this contract.

The CMR requirement shall flow down to all task orders. The CMR shall be individualized by task order and uploaded to the web site (http://contractormanpower.army.pentagon.mil), no later than October 31, for each fiscal year. All new task orders shall have a CLIN (X007 AU) added as "NSP" (Not Separately Priced).

CLIN 3007AU shall be used for the initial requirement and CLIN 4007AU shall be used for the succeeding reporting requirement.

Existing task orders shall address this reporting requirement when the task order is modified, and will require ROM information from KBR.

No task order will be extended for the purpose of this report requirement; if the task order ends prior to Sept 30, 2006, the report will include information up to end of performance.

3. The Contractor Manpower Reporting requirements are as follows:

The Office of the Assistant Secretary of the Army (Manpower & Reserve Affairs) operates and maintains a secure Army data collection site where the contractor will report ALL contractor manpower (including subcontractor manpower) required for performance of this contract.

The contractor is required to completely fill in all the information in the format using the following web address http://contractormanpower.army.pentagon.mil. The required information includes:

- (1) Contracting Office, Contracting Officer, Contracting Officer's Technical Representative; (2) Contract number, including task and delivery number; (3) Beginning and ending dates covered by reporting period; (4) Contractor Name and address, phone number, e-mail address, identify of contractor employee entering data; (5) Estimated direct labor hours (including sub-contractors); (6) Estimated direct labor hours (including sub-contractors); (7) Total payments (including sub-contractors); (8) Predominate Federal Service Code (FSC) reflecting services provided by contractor (and separate predominate FSC for each sub-contractor if different); (9) Retimated data collections cost; (10) Organizational title associated with the Unit Identification Code (UIC) for the Army Requiring Activity (the Army Requiring Activity is responsible for providing the contractor with its UIC for the purposes of reporting this information); (11) Locations where contractor and sub-contractor perform the work (specified by sip code in the United States and nearest city, country when in an overseas location, using standardized nomenclature provided on website); (12) Presence of deployment or contingency contract language, and (13) Number of contractor and sub-contractor employees deployed in theater this reporting period (by country). As part of its submission, the contractor will also provide the estimated total cost (if any) incurred to comply with this reporting requirement. Reporting period will be the period of performance not to exceed 12 months ending September 30 of each calendar year. Contractors may use a direct XML data transfer to the data base server or fill in the fields on the website. The XML direct transfer us a format for transferring files from a contractor's systems to the secure web site without the need for separate data entries for each required data element at the web site. The specific formats for the XML direct transfer may be downloaded from the web site.
- 4. All other terms and conditions remain the same.
